

## **Press Release**

### **Statement from the Mayor of Buchanan Related to the Announcement of Inspector General**

**February 28, 2020**

**Buchanan, NY.** I am deeply disappointed and concerned with the findings of the Office of Inspector General in regards to the AIM Pipeline and Indian Point.

I am requesting the NRC hold a local Public Meeting as soon as possible to address this report and what the next steps are to correct this situation.

My # 1 priority is the safety of the community.

Our residents require a response as soon as possible

Theresa Knickerbocker  
Mayor
